

Feedback analysis

Read and discuss each other's "Feedback in the Picture".
Then complete this canvas together.

Strong points

What did you do well, according to the teacher's feedback?

New knowledge

What new knowledge about the assignment did you gain from the feedback?

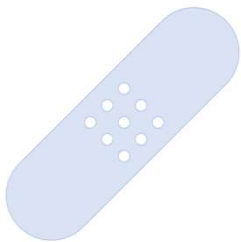

Conclusion of analysis

What are the main points you still need to work on? What is (or are) your biggest joint challenge(s) in this regard?

Points of improvement

What could be better or different, according to the teacher's feedback?

Surprise

What is in the feedback that you didn't expect?
