

Feedback analysis: group

Read and discuss each other's "Feedback analysis: solo". Then complete this canvas together.

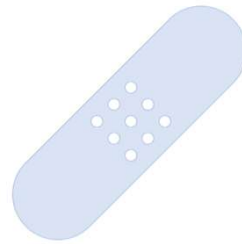

Strengths

What did you do well, according to the teacher's feedback?

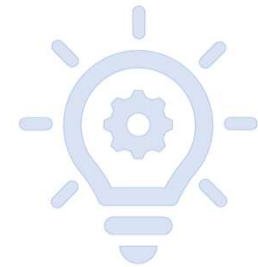

Areas of improvement

What could be better or different, according to the teacher's feedback?

New knowledge

What new knowledge about the assignment did you gain from the feedback?

Establish priorities

What are the main points you still need to work on? What is (or are) your biggest joint challenge(s) in this regard?
